Don't be bugged

Get on the SWAT team to prevent drug abuse in our young people at the Drugs Bug Me luncheon happening Friday in the Huntsville Depot Roundhouse. The event is sponsored by Partnership for a Drug-free Community.

Patrons will enjoy a delicious spread by Mr. BBQ and Purity Ice Cream. Children's activities include cookie decorating, a cupcake walk, super-

slide and relay games.

"Today's children are our future leaders," said **Candice Dunaway**, project manager.

"Participating in the Drugs Bug Me event helps ensure a healthy tomorrow for our community by keeping kids away from tobacco, alcohol and other drugs.
